

PNQHA Show and Contest Meeting

June 27, 2020

Meeting was called to order at 2:00 p.m. Members present were Randi McCallum, Charlene Cooper, Brianne Charters, LeAnne Givens, Ray and Kathryn Schild and Shawn Charters.

Financial Report – Shawn presented a financial report for the show. Total income was \$2,614.14. Specific Show Expenses were \$2,244.00. Items remaining to be paid for is the 2nd Overall High Point headstall that the judges donated due to a tie. There was an additional \$1,088.59 in one-time expenses (Radios, speakers, insurance, banners/flags).

Show Report – Everyone's opinions on how the show went were expressed. Overall, it went very well and was a success. The showbill will need to be adjusted for the next show based upon things that did not go as well as they could have. There were very few ISHSA entries. ISHSA requires that show fees cannot exceed \$6.00 per class. It is nearly impossible to hire the quality of judges we have with a cap on fees. That, in addition to the additional hoops that must be done to get show approval prompted the decision to not have the August, September and October shows ISHSA approved. This will also reduce the number of classes and make the schedule more feasible. Shawn will revise the showbill and fees per class will be set at \$10.00.

Randi will work on getting a judge for the August show. Marty Simper and Cooper Evans will judge the September show and Mike and Robin Jung have agreed to judge the October show.

Shawn reported that she contacted Gary Crawford and he has secured the PNQHA.com domain name and will bill us. Creation of the actual website was discussed, and it was decided to go with the 6 page website. He will train us so that we will be able to update the website as needed. Ray and Kathryn Schild donated \$700.00 to PNQHA for the purpose of creating the website. Thank You.

Meeting was adjourned at 3:30. The next meeting will be July 15, 2020. Location to be announced.
